MAR 22 2012

Dear US Primary Exporter of Spent Lead Acid Batteries:

ASSISTANT ADMINISTRATOR
FOR ENFORCEMENT AND
COMPLIANCE ASSURANCE

As you are aware, a primary exporter of spent lead acid batteries (SLABs) is required to file with the United States Environmental Protection Agency (EPA) an Annual Report of any export shipments of SLABs by **March 1** of the year following any actual export(s), under 40 CFR Sections 262.56 and 262.87(a) of EPA regulations.

Our records indicate that during 2010 and/or 2011 you had a valid consent for the export of SLABs but our office has not received a 2010 or 2011 Annual Report from you. *If you did export SLABs during calendar year 2010*, your Annual Report was due by March 1, 2011; you should submit your overdue Report without further delay. In addition, *if you did export SLABs during calendar year 2011*, your Annual Report was due by March 1, 2012; you should submit your overdue Report without further delay. *If you did not export SLABs during 2010 or 2011*, please send us a letter or email stating that your company did not export SLABs during calendar year 2010 and/or 2011. Your submission should be mailed to me at the address shown below or e-mailed to Eva Kreisler at kreisler.eva@epa.gov and Laura Coughlan at coughlan.laura@epa.gov, no later than April 6, 2012.

There is no required form for annual report submissions. Exporters that shipped SLABs to Canada, Mexico, or any country not belonging to the Organization for Economic Cooperation and Development (OECD) must submit an annual report containing all items of information found at 40 CFR Sections 262.56 (a)(1) through (4), (6) and (b). Exporters that shipped SLABs to OECD Member countries other than Canada or Mexico must submit an annual report containing all items of information found at 40 CFR Section 262.87(a). Annual Reports not meeting these requirements, as applicable, will be returned as deficient. **Failure to file a timely and accurate annual report of SLAB exports can result in a penalty of up to \$32,500 per day.**

Given the lateness of your submittal, if your 2010 and/or 2011 Annual Report is overdue, we request that you submit your 2010 and/or 2011 export data in both an electronic and hardcopy format of an MS EXCEL spreadsheet. In order to obtain the electronic version of the MS Excel spreadsheet, please contact Laura Coughlan at coughlan.laura@epa.gov. This spreadsheet already contains all the Annual Report elements you must report as required by 40 CFR 262.56 and 40 CFR 262.87(a) and provides detailed instructions to assist you in completing your submittal. Your cooperation will assist us with compiling the 2010 and/or 2011 data expeditiously.

Sincerely,

Robert G. Heiss
